They'll be on hand to answer all your questions, plus offer tips on those upcoming projects. If you're in the market for mulch or hardscapes, we offer a wide variety for your convenience. We have everything you need to get your lawn and outdoor living area ready for Southern summer living and those backyard cookouts. We've even added a new section called the Hen House. It's filled with fun home decor items and great gift ideas. Speaking of cookouts and fun, what's a Grand Opening without food and door prizes!
