Shop Small, Shop Local This Holiday Season!

This holiday season, remember the heart of our community—our local small businesses. These businesses chose to invest in our towns, relying on our support to thrive. They're not just shops; they're owned by our neighbors, friends, and family who give back year-round through the Palmetto Business Association, supporting schools, nonprofits, and local events. When you shop small, you're not just making a purchase—you're strengthening our community. Let's show them the support they've always shown us!
